AIHA-NCS c/o We Produce,
125 Connemara Way #141,
Sunnyvale, CA 94087.

In the information section of the check, please indicate Raffle and number of tickets.

Patty's Toxicology, 6th Edition, 6-Volume Set, published by Wiley

A defining work in the field of toxicology, Patty's Toxicology has long been recognized as the premier reference for toxicological information on a large number of industrial chemicals that pose potential health hazards. The new edition provides updates for all chapters with new information and features about 40% new authors bringing a new and international perspective, 30 extensively revised chapters, and 5 new chapters.

New subjects in Patty's Toxicology, 6th Edition include nanotechnology, flavorings and the food industry, reactive chemical control to comprehensive chemical policy, metalworking fluids, and pharmaceuticals. Expanded chapters include benzene, aromatic compounds, smoke and combustion products from fires, mercury, radio-frequency and microwave radiation (cell phones) and wood dust. Data have been updated on both non cancer and carcinogenic risk assessment.

About the Authors

Eula Bingham, PhD is a Professor of Environmental Health at the University of Cincinnati College of Medicine. Dr. Bingham was the University of Cincinnati's Vice President and University Dean for Graduate Studies and Research from 1982-1990. She was Assistant Secretary of Labor for Occupational Safety and Health (OSHA) from 1977-1981. She contributed more than one hundred peer reviewed articles on occupational and environmental respiratory hazards; chemical carcinogenesis and related topics; and occupational and environmental health policy.

Barbara Cohrssen is President of Cohrssen Environmental, Inc. and is a Certified Industrial Hygienist and Registered Environmental Assessor. She co-edited the 5th Edition of Patty's Toxicology and Patty's Industrial Hygiene, 6th Edition; she is a recognized authority in the field of industrial hygiene, with over 30 years' experience in occupational and environmental health and safety. Ms. Cohrssen is a member of the American Industrial Hygiene Association, and American Academy of Industrial Hygiene. Barbara is also a Past-President

of AIHA-NCS.
